

Creating a Club

EquestriCraft is more than horses, builds, and progression. It is also a community. One of the best ways to meet people, stay active, and create lasting memories on the server is by getting involved with other players. A big part of that community comes through **clubs**. Clubs allow players to build groups around shared interests, whether that means competition, roleplay, casual riding, business, or friendship.

If you are new and want help getting started, speak to **Estelle** at the **Vyheimyr Club Office** to learn more about clubs and meeting other players.

 **Location:** 2623, 68, 2051

 Use `/compass` to help find the Club Office easily.

Your club can be:

- A competitive riding team
- A relaxed barn family
- A business-based group
- A roleplay group
- A circle of friends

Once you reach **Apprentice Rank**, you can create your own club.

How to Create a Club

1. Visit the **Club Office**
2. Speak to **Sam** at the registry counter
3. Choose a unique club name
4. Pay the **\$5,000 registration fee**

Important Club Rules

- All players can create a club once they reach **Apprentice Rank**
- You may only own **one club at a time**
- Club names must be **completely unique**
- Club names use the same filter as in-game chat to prevent inappropriate wording

Once registered, your club will appear on the public club list for other players to see.

Customize and Advertise

One of the best parts of club ownership is making the club feel like your own.

You can make your club stand out by:

- Designing a club logo
- Creating a theme or identity
- Hosting club meetings
- Organizing events
- Running competitions
- Advertising in the official Discord server
