

Managing Your Club

You can manage your club using:

`/club manage`

This opens the club management menu and gives you access to the main tools for running your club.

Club Management Options

View Join Requests

Lets you review players who have requested to join and accept or reject them.

Send Invite

Allows you to invite players from the EquestriCraft community.

View Members

Shows the players currently in your club.

Edit Details

Lets you edit the club's **name** and **chat tag**.

Manage Ranks

Allows you to create custom roles for members, such as:

- Owner
- Stablehand
- Host
- Organizer
- Trainer

You can also assign ranks individually to each member.

Turn On Join Requests

Lets you enable or disable join requests from other players.

Disband Club

Deletes the club completely.

Important: If you disband your club, you will **not** get the **\$5,000 registration fee** back, so be certain before deleting it.
