

Welcome to EquestriCraft

Welcome to EquestriCraft!

When you first join the server, you will arrive in the beautiful city of **Vyheimer, Ventura**. Take a little time to look around, explore the area, and get familiar with the city before starting your journey.

If you are ready to begin progressing, speak to the **Captain** to start your quests. Quests are one of the most important early-game systems and are the best way to begin earning XP, learning the world, and unlocking progression.

Finding Your Way Around

Ventura is full of useful locations, so learning how to get around early on will make everything much easier.

Useful Navigation Commands

/compass

Adds a compass to the top-right corner of your screen and helps guide you to important places.

/navigator

Lets you teleport back to Ventura if you leave the city. It can also help you get to useful locations such as:

- Vyheimer Stables
- The sales barn
- Other travel destinations on the server

If you ever feel lost, **/navigator** is one of the best tools to use.

Essential Commands

These are some of the most useful commands for new players:

/menu

Opens the main EquestriCraft menu.

/quest

Opens your quest system and helps you track progression.

/bal

Checks your balance.

/nickname builder

Lets you create or edit your nickname. You can add color codes, and bold formatting if you have a donator rank.

What You Can Find in /menu

The main menu gives quick access to many core systems, including:

- Horse list
- Plot list
- Progression menu
- Achievements
- Profile
- Notifications
- Settings

These are some of the main tools you will use throughout your time on the server.

Basic Horse Commands

Useful horse commands include:

- **/h list**
Shows your horse list. You can also access this through **/menu**.
- **/h tp [horse name]**
Teleports your horse to you.
- **/h brush**
Gives you a brush for daily horse care.
- **/h hoof-clean-tool**
Gives you a hoof cleaning tool for daily care.
- **/h lead**
Gives you a lead for handling your horse.
- **/h sell [horse name] [purchaser username]**
Lets you sell your horse to another player.
- **/h grant-access [horse name] [player name]**
Grants another player access to your horse.
- **/h revoke-access [horse name] [player name]**
Removes a player's access to your horse.

☐ Starter Horse Options

When you first begin your journey, you can choose from a selection of starter horse breeds. This gives new players a strong starting point while still leaving plenty more breeds to unlock through progression later on.

Starter horse options include:

- American Quarter Horse
- American Paint Horse
- Appaloosa
- Morgan
- Tennessee Walking Horse
- Missouri Fox Trotter
- Thoroughbred
- Gypsy Vanner
- Standardbred
- Dutch Warmblood
- Mustang
- Hanoverian
- Arabian
- Connemara Pony
- Irish Cob
- Haflinger
- Welsh Pony Section D
- Paso Fino
- Welsh Pony Section B
- Shetland Pony

Your starter horse is the beginning of your journey, so it is worth picking a breed you will enjoy riding and progressing with!
