

Chiropractor

The Chiropractor role focuses on body comfort, alignment, movement, and physical support. This role is especially useful for ridden horses, performance horses, and horses that may need extra bodywork.

Common chiropractor services include:

- Curing skeletal or muscular illnesses
- Massage
- Saddle fit checks
- Saddle unfit evaluations

This role is a great fit for players who enjoy physical wellness, movement-based care, and comfort-focused horse management.

Role Head: Cherry

Requesting Work

For chiropractic work, go to the Chiropractor office in **Ventura** and request the treatment or evaluation your horse needs. Additionally, you can ask an online Chiro in chat, or ping a Chiropractor in our discord.
