

Dentist

The Dentist role focuses on oral health, comfort, and bit-related care. Dental work is an important part of long-term horse maintenance and can affect both comfort and performance.

Common dentist services include:

- Curing Dental illnesses
- Teeth floating
- Wolf teeth removal
- Bit fitting

This role is especially good for players who like specialized care and detailed health-focused roleplay.

Role Head: Kyra

Requesting Work

For dental work, visit the Dentist office in **Ventura** and request the appropriate service for your selected horse. Additionally, you can ask an online Dentist in chat, or ping a Dentist in our discord.
